Choosing a pet

Example

Choosing the right pet is difficult. You **have** to think very carefully!

Dogs like being with people and need to

1 for long walks. They are good pets

2 for people live in the countryside.

Cats are happy in towns, but it's good for them to have a

3 garden to play run in.

4 people love smaller animals like mice, snakes or spiders!

5 When you choose a pet, think these questions: What kind of home does it need? What does it like to eat? And where does it like to play?
