

Based on Jane and Walter's conversation, fill in the blanks with the words from the box.

**process / gather / ingredients / quantity / mix / heat / stir / control / pour**  
**/ serve / present / sequence**

**Walter:** Hey Jane, can you explain how to prepare the recipe for our presentation?

**Jane:** Sure Walter! I'll describe the \_\_\_\_\_ step by step.

**Walter:** Great, I'm listening.

**Jane:** First, you need to \_\_\_\_\_ all the \_\_\_\_\_. It's important to check the \_\_\_\_\_ of each one.

**Walter:** Okay, what comes next?

**Jane:** Then, you \_\_\_\_\_ the ingredients in a bowl and \_\_\_\_\_ the mixture in a pan.

**Walter:** Do I need to do anything special while cooking?

**Jane:** Yes, you should \_\_\_\_\_ it continuously and \_\_\_\_\_ the temperature.

**Walter:** Got it.

**Jane:** After that, you \_\_\_\_\_ the mixture into a container and let it cool down.

**Walter:** And finally?

**Jane:** Finally, you \_\_\_\_\_ the dish and \_\_\_\_\_ it nicely.

**Walter:** That sounds simple. So, first I gather the ingredients, then mix and heat them, after that I pour the mixture, and finally I serve it. Is that correct?

**Jane:** Exactly! That's the correct \_\_\_\_\_.

**Walter:** Thanks! Your explanation was really clear.
