

Reflection

Have you mastered all of the materials in this chapter? Give a tick in Yes or No part!

Number	Competence	Yes	No
1.	I am able to know what my dream is.		
2.	I am able to know the reason behind my dream.		
3.	I am able to tell my dream.		
4.	I am able to ask other people's dream.		
5.	I am able to make a text about my dream.		

Survei Karakter Profil Pelajar Pancasila

Number	Pancasila Characters	Yes	No
1.	I am able to do the best to achieve my dream.		
2.	I am able to tell people about my dream.		
3.	I am able to creatively tell my job.		

Minimum Competency Assessment

Hadi's Dream to Become a Firefighter

Hadi dreams of becoming a firefighter when he grows up. He wants to help people and save lives. Firefighters are brave and strong, and Hadi wants to be just like them. He knows that firefighters work hard to keep everyone safe from fires and other emergencies.

To achieve his dream, Hadi will study hard in school. He will learn about fire safety and how to use firefighting equipment. Hadi will also exercise and stay fit, because firefighters need to be strong to do their job. When he grows up, Hadi will join the fire department and help his community. He can't wait to be a hero and make a difference in people's lives as a firefighter.

1. State T for true statements and F for false statements based on the text above.

Statements	T/F
Hadi dreams of becoming a firefighter when he grows up.	
Hadi will study hard in school to achieve his dream and learn about fire safety.	
Hadi wants to become a police officer when he grows up.	
Hadi plans to study computer science to become a firefighter.	

2. Here are things you will do to be a firefighter.

	Learn about safety
	Do exercise
	Study math
	Try to become a teacher

3. Write the reason behind Hadi's dream!

Answer:

Daily Summative Assessment

A. Choose by crossing (X) a, b, c, or d in front of the most correct answer.

(Berilah tanda silang (X) pada huruf a, b, c, atau d di depan jawaban yang paling tepat!)

The following text is for questions number 1 to 10.

(Teks berikut ini untuk menjawab pertanyaan nomor 1 sampai 10!)

Nana's Dream Job: Becoming a Surgeon

Nana dreams of becoming a surgeon when she grows up. A surgeon is a doctor who performs operations to treat injuries, diseases, and other medical conditions. Surgeons are skilled and help people get better by using their medical knowledge and expertise. Nana wants to become a surgeon because she wants to help people and make them healthy again.

To achieve her dream of becoming a surgeon, Nana will study hard in school. She will learn about the human body, how it works, and how to treat different medical conditions. Nana will also need to go to medical school after finishing high school. There, she will learn more about surgery and practice how to perform operations. Nana will work closely with experienced surgeons to learn from them and gain hands-on experience.

In the future, Nana hopes to work in a hospital as a surgeon. She will use her skills to help patients who need surgery. Nana will be responsible for diagnosing patients, planning surgeries, and performing operations to improve their health. She wants to be a caring and skilled surgeon who makes a difference in people's lives.
