**B. Match the picture with the correct opinion about the activity!**

After a long day, I love applying body lotion. It makes my skin feel soft and smooth, and I think it's a nice way to relax

Cutting my nails is a simple task, but it helps me feel organized. I think it's important to keep my nails tidy

I never skip brushing my teeth. It's essential for my health and helps me feel fresh. I believe it's one of the most important habits.

I think wearing perfume gives me confidence. It's like an invisible accessory that completes my outfit and helps me feel good about myself

I don't always have time for a full skincare routine, but when I do, it makes me feel pampered. In my opinion, taking care of your skin is a way of showing love to yourself.

# THE IMPORTANCE OF PERSONAL HYGIENE

One day, Sarah asked her friend Maya, "What do you think about personal hygiene or self-care routines? Do you think they really make a difference?" Maya paused for a second, then replied, "Absolutely! I believe they're crucial. When I take care of myself—like cutting my nails, brushing my teeth, and using lotion—I feel so much better, both physically and mentally." Sarah thought for a moment and said, "I've never really seen it that way. I usually just do the basics, like brushing my teeth and cutting my nails when needed."

Maya smiled and continued, "It's not just about looking good, it's about feeling good. I've started applying body lotion every day after my shower, and it makes my skin feel so soft. I also make sure to wear deodorant and a little perfume—it just gives me a fresh feeling that lasts all day." Sarah was curious now. "Do you think it really helps with your mood?" she asked. "Definitely," Maya answered. "When I take time for these little things, it boosts my confidence and helps me stay positive throughout the day."

1. What is the main purpose of Sarah asking Maya, "What do you think about self-care routines?"
  - A) To start a conversation about beauty products.
  - B) To learn about Maya's personal routine.
  - C) To know Maya's opinion on the importance of self-care.
  - D) To criticize self-care routines.
2. Maya's response to Sarah's question, "Do you think they really make a difference?" suggests that she believes self-care routines:
  - A) Are unimportant and should be avoided.
  - B) Only matter when others notice.
  - C) Are essential for overall well-being and confidence.
  - D) Should be performed only for cosmetic reasons.
3. What can be concluded from Maya's opinion about self-care routines?
  - A) Self-care routines are only about appearance.
  - B) Self-care routines help boost both physical and mental well-being.
  - C) Self-care routines are not important for feeling good.
  - D) Self-care routines are only necessary for looking good.

## EMBRACE YOURSELF WITH SELF-CARE

One sunny afternoon, Lina asked her friend Aria, "What do you think about using makeup and taking care of your skin every day?" Aria smiled and responded, "I believe makeup is a fun way to express who you are, but it's essential to do it for yourself, not because you feel pressured by others. Personally, I enjoy taking care of my skin because it makes me feel relaxed and confident."

Lina thought for a moment and said, "I haven't paid much attention to my skin before, but I've noticed when I take a little time to care for myself, I feel better about myself. Maybe I should start focusing on it more." Aria nodded, "Absolutely! Self-care is all about taking time for yourself and feeling your best, not for anyone else."

Fill in the blanks:

1. Lina asked Aria, "What do you think about \_\_\_\_\_ (using makeup/taking care of your skin) every day?"
2. Aria said, "I think \_\_\_\_\_ (makeup is a way to express yourself/skin care routines help you feel confident), but it's essential to do it for yourself, not because you feel pressured by others."
3. Lina admitted, "I haven't paid much attention to \_\_\_\_\_ (my skin/my makeup) before, but when I take time to care for myself, I feel more \_\_\_\_\_ (confident/relaxed)."
4. Aria emphasized, "Self-care isn't just about looking good for others; it's about \_\_\_\_\_ (feeling your best/loving yourself)."
