Animal Habitat

Answer the following questions.

1. Why do camels live in the desert?

_____.

2. How do fish survive in the ocean?

_____.

Fill the following table to compare habitats.

	Desert	Forest
What is the weather like?		
What does the habitat look like?		
What animals live there?		
Is it hot or cold?		
Is there water or not much water?		
What plants can be found there?		

Self-assessment

I'm able to justify and compare the features of different habitats.

I understand!

I understand a little!

I don't understand!
