

Watching the Parade

Last August 17th, I went to watch the Independence Day parade with my family. We went to the main street at 7 o'clock in the morning. Many people were already there. We stood near the red and white flag pole.

Many people wore traditional costumes from different regions. The marching band played loudly and beautifully. I saw children waving small red and white flags. My little brother was very happy and clapped his hands.

After the parade finished, we bought some food and drinks. Finally, we went home happily at 2 o'clock in the afternoon.
