1 GRAMMAR Past simple: negative

a Underline the correct words to complete the text.

@ YOUSSEF'S PLACE, MARRAKESH

Last year, we [1] ~~stayed~~ / ~~didn't stay~~ a holiday here in the UK. We went to Morocco. We [2] ~~stayed~~ / ~~didn't stay~~ at a hotel – we camped at 'Youssef's place' near Marrakesh. We had a big tent with two beds. The campsite was very beautiful and there were a lot of great people there. (We [3] ~~met~~ / ~~didn't meet~~ Youssef, but we met his brother!)

Youssef's place isn't in Marrakesh – it's about 40 minutes from the city. We [4] ~~took~~ / ~~didn't take~~ there – we took a taxi. Marrakesh is an exciting city, but we [5] ~~went~~ / ~~didn't go~~ there every day. We visited small towns and villages near the campsite and walked in the mountains.

The holiday wasn't expensive. The tent cost $30 a night and we usually cooked our meals in the campsite kitchen. But we [6] ~~ate~~ / ~~didn't eat~~ every night! We visited some great restaurants and cafés in Marrakesh.
