III. Choose the word (A, B, C or D) that best fits each space in the following passage. (1.5 pts)

The trend of "blindbox" has gained significant popularity in recent years, particularly within the realms of (17)_____ and toys. A blindbox, or blind box, refers to a packaging method where the buyer cannot (18) _____ the specific item inside before purchasing. This trend taps into the thrill of surprise and anticipation, making it a unique experience for consumers.

Blindboxes typically contain a variety of items from a specific (19)_____ or series, such as vinyl figures, trading cards, or themed merchandise. Buyers purchase these boxes without knowing which specific item they will receive. This uncertainty is a key aspect of the experience, often leading to excitement and speculation about what could be inside.

The blindbox trend has been particularly influential among younger audiences, including Millennials and Generation Z. This demographic is drawn to the excitement of (20)_____ experiences, which are often shared on social media platforms. Unboxing videos, where individuals showcase their blindbox reveals, have become immensely popular, contributing to the trend's virality.

Despite its popularity, the blindbox trend has faced some criticism. Some consumers express frustration over the potential for (21)_____ items, which can diminish the excitement of collecting. Concerns about environmental impact also arise, as excessive packaging and waste may result from blindboxes.

The blindbox trend exemplifies the intersection of consumer culture, surprise, and the digital age. (22) _____ creating an element of mystery and excitement, blindboxes have captured the imagination of collectors and casual consumers alike. As the trend continues to evolve, brands must navigate the challenges it presents while finding innovative ways to engage their audiences in meaningful and responsible ways.

17. A) fashion	B) electronics	C) collectibles	D) furniture
18. A) see	B) taste	C) watch	D) smell

The English language has significantly influenced the exploration and discovery of the world. Starting from the Age of Exploration in the 15th century, when European government looking for new land, English emerged as

LIVEWORKSHEETS

a crucial way of communication. Explorers like Christopher Columbus and Sir Francis Drake expanded European knowledge of geography, open the way for colonial empires.
As trade routes developed, especially during the 16th and 17th centuries, English became increasingly important in commerce. The British Empire established colonies, particularly in North America and Asia, where English was used for trade, governance, and cultural exchange. This laid the foundation for English to become a global language.
In the 20th century, English solidified its status as a most spoken language, a common language facilitating communication among people from different backgrounds. The economic rise of the United States and the global influence of British culture through media and literature contributed to this phenomenon.
Despite its advantages, the dominance of English raises concerns about language imperialism. Critics argue that it can take over local languages and cultures, creating inequalities. Therefore, promoting multilingualism and preserving local languages is essential while using English as a tool for global interaction.
23. The Age of Exploration began in the 18th century.
24. English became important in trade during the 16th and 17th centuries due to the establishment of British colonies.
25. The passage states that the dominance of English has no impact on local languages and cultures.
26. Promoting multilingualism is suggested as a solution to the challenges of English's dominance.
27. What is the main idea of the passage?
A. The historical development and global influence of the English language.
B. The rise of the British Empire and its colonial expansion.
C. The impact of European explorers on world geography.
D. The negative effects of language imperialism on local cultures.
28. Which of the following is NOT mentioned in the passage?
A. The role of English in global business.
B. The influence of American economy on the spread of English.
C. The need to protect local languages.
D. The invention of new English words during the Age of Exploration.
