1. Complete the text with the correct affirmative OR negative form of past simple.

Last Friday, three teenagers _____ (decide) to explore an abandoned hospital outside their town. Their parents _____ (know) where they were because the teens left secretly at night.

When they arrived, they _____ (see) broken windows and old chairs everywhere. Mia wanted to go home, but her friends _____ (listen) to her.

Inside the building, they _____ (hear) strange noises coming from the second floor. Ethan opened a door slowly, but he _____ (find) anything inside the room.

Suddenly, the lights went out.

The teenagers _____ (panic) immediately, but they felt nervous. Mia tried to call her brother, but her phone _____ (work).

A few minutes later, they _____ (notice) a little girl at the end of the hallway. She looked pale and scared. Ethan asked, “Who are you?” but the girl _____ (answer).

Then the group heard a terrible scream downstairs. They quickly ran to the exit, but they _____ (see) the front door anymore.

Finally, after several minutes, they found another way out and escaped from the hospital. The next day, Ethan checked the photos on his phone, but he _____ (have) any pictures of the building.

There was only one strange image: A pale girl standing behind the group.

2. Correct the mistakes:

- They didn’t heard the noise.

- Mia didn’t went upstairs.

- The ghost didn’t disappeared.

- Ethan sawed a shadow in the window.

- We didn’t found the exit.
