Answer 30: _____

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

It is estimated that about 200 million people use the Internet computer network around the world. The Internet **allows** people to work at home instead of travelling to work. The Internet allows businesses to communicate with customers and workers in any part of the world for the cost of a local telephone call. Email allows users to send documents, pictures and other data from one part of the world to another in at least 5 minutes. People can use the Internet to do shopping. This saves a lot of time. It is possible to use the Internet for education - students may connect with their teachers from home to send or receive emails or talk about their problems through "online" rather than attend a class.

Question 31. The Internet allows people _____.
A. to stay at home and rest
B. not to work
C. to travel to work
D. to work at home

Answer 31: _____

Question 32. To a business, the Internet is _____ to communicate with customers.
