PART 2

EXERCISE 1

Match the sentences (A–J) to the correct truck models (1–8).
Two sentences do not match any truck model.

Statements:

A) This truck is good for driving in mountains and on bad roads.
B) You can read about this truck in our catalogue or on the internet.
C) This truck uses less fuel than the old model.
D) You cannot drive this truck for a test at the moment.
E) You get a longer guarantee if you buy this truck now.
F) This truck helps you find the way using GPS.
G) The company has stopped making this truck.
H) This truck can carry more things than last year's model.
I) You can choose the color and inside design of this truck online.
J) This truck is small and easy to drive on narrow city streets.

TRUCK MODEL DESCRIPTIONS

1 TRAILMASTER X5

This truck is strong and good for difficult roads, hills, and rainy places. It has high wheels and a strong body.

2 ECOHAULER V7

THIS TRUCK USES 18% LESS FUEL THAN THE V6 MODEL. IT IS GOOD FOR LONG TRIPS AND SAVING FUEL.

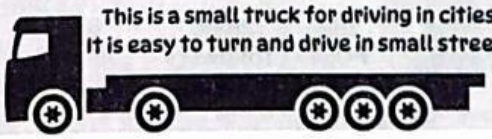

3 CargoMax Pro 2023

This new truck can carry more cargo than the older model. It has a bigger space for boxes or goods.

4 METROMOVER S3

This is a small truck for driving in cities. It is easy to turn and drive in small streets.
