L1.1. EX 3. Đọc các đoạn hội thoại và thông báo ngắn sau đây. Chọn câu trả lời đúng cho mỗi câu hỏi, sau đó gạch dưới các từ, cụm từ đầu mối giúp bạn xác định được câu trả lời đúng.

Sau khi hoàn thành bài tập, bạn có thể nghe phần ghi âm. 03.mp3

Ví dụ:

Man:	I heard you moved.
Woman:	Yes, I got a great little place on a top floor on Park Avenue.
Man:	What luck. I'd love to see it sometime.

What is the subject of the conversation?

A. The woman's new apartment
B. Games of chance
C. Establishments on Park Avenue
D. Good movies

1.

Man:	Aren't his gardens beautiful? Everything he touches grows.
Woman:	Oh, yes, he's so talented.
Man:	Look at the color and design of the flowers around the fountain.

Whom are they talking about?

A. A sculptor
B. A painter
C. A landscape architect
D. A farmer

2.

Woman:	Is there a dress code at your company?
Man:	No, but most of the men wear coats and ties, and the women wear dresses or suits.
Woman:	Oh, it's pretty formal then.

What are they discussing?

A. A new outfit that the woman is wearing
B. How people dress at the man's company
C. Where to buy clothes for work
D. A social event that the man attended

3.

Umbrella sales are sure to go up with all this rain we've been having. Rain continues all week. Saturday will be cloudy and breezy, and the rain returns on Sunday. This is the time to invest in an umbrella company!

What is this announcement about?

A. A sale on umbrellas
B. The weather
C. Train schedules
D. Stock market investments

4.

We'd like to extend a warm hello this evening to you, our colleagues from the Singapore branch of the corporation. Tomorrow, you are going to have a busy day. Tonight, though, we just want you to relax, have something to eat and drink, and get to know us.

What is the speaker's purpose?

A. To propose changes in a schedule
B. To welcome some visitors
C. To discuss some technical matters
D. To introduce new members of the board

5.

Attention, riders. Do not pull down the safety bar. The safety bar will engage automatically before the ride begins. To avoid injuries, do not attempt to stand up or put your arms outside of the roller coaster car. In case of an emergency, do not leave the car. Stay seated, and park personnel will assist you.

Why is this announcement being given?

A. To request assistance
B. To warn of an emergency
C. To explain a delay
D. To provide safety information
