The Detective's Map: Where is the Building?

Read Andi's story carefully! Drag the buildings and drop them into the correct spots on the map based on the clues.

AAndi is a student at a school that has a large football field next to its building. After the bell rings for dismissal, he plans to go to the Library located right in front of the school to borrow a mystery book. Right beside the library, there is a small Cafe where Andi usually buys hot chocolate. Across the street, there is a Hospital that is opposite the Cafe. While walking on the sidewalk, Andi sees a Gym located between the Bank and the Museum along the main road. Not far from there, there is a large Supermarket next to the bakery. Before going home, Andi sees his father parking the car in the parking area located in the city center. Finally, Andi goes to the Bookstore across from his school to buy a new pencil.
