L2.2. EX 4. BÀI TẬP DẠNG THỨC VSTEP (Phần 2)

Nghe đoạn hội thoại và trả lời câu hỏi. 37.mp3

1. What is the purpose of this conversation?
   A. To recall a book that someone else has borrowed from the library
   B. To understand the process of setting up an online library account
   C. To discuss the amount of time that a student can borrow a book
   D. To learn the layout of the different parts of the library

2. Why does the librarian explain the renewal process to the student?
   A. Because the student might need his books for more than four weeks
   B. Because the student is having trouble finding the circulation desk
   C. Because the student is concerned about his books being recalled
   D. Because the student does not want to pay late fees for his books

3. Why does the recall process concern the student?
   A. Because his roommate may also need the books
   B. Because he may still need the books being recalled
   C. Because he does not want to turn his books in late
   D. Because he may not check his e-mail in time

4. What does the librarian mean when she says someone can recall a book?
   A. Someone can request the book from a library across the country.
   B. Someone can request that a book be turned back in.
   C. Someone can bring the book back in to the library.
   D. Someone can remember the contents of the book.
