is a language laboratory with multimedia computers and smart TV programmes in five languages: French, Spanish, English, Italian and Chinese. To practise listening, you can listen to , lectures and dialogues, watch films and presentations in different languages. To practise reading, you can read paper or . To practise speaking, we have a wonderful facility where you can record your voice and then listen to your speech. We also have a speaking where experienced teachers and pupils help us discuss different topics every day of the week. Our centre has everything to help you become good at the foreign language of your choice.

has thousands of dictionaries and , reference books, audiobooks, newspapers and magazines, films and , which you will need for your projects and selfstudy (самообразование). Here you can do your homework or relax reading a book. There is also a zone here, one of the most popular on the campus. Every week we have a readers club where we usually discuss books. Once a month we invite book writers to the readers9 club who give on their books and answer questions from the audience. There are no days off here.

is used for many different sports and activities with all the equipment you need. Here you can find a swimming pool, a football pitch, a cricket pitch and a hockey pitch which are for boys and girls to play the games. Tennis, basketball and volleyball can be played at any time of the day, light or dark, as well as in any weather. There's also a 5- bike lane inside and outside the campus. All pupils and teachers can work out in the school gym, which is fully equipped with 72 different exercise and running machines. The gym is open from 6 a.m. till 10 p.m. every day.

has three for experiments and projects in Physics, and Biology. If you are interested in one of the fields, our school labs are the place for you. Each laboratory has all the necessary equipment, computers and to achieve any school projects aim. Up to 15 people can work in each lab at one time. The labs are open between 8 a.m. and 8 p.m., Monday to Friday.
