Hi! I'm Betty. My routine is very simple. I go to school in the afternoon so I never get up early. I usually get up at 11:00 AM. I have a shower and then I pack my bag and go to school. I have classes in the evening, too. I finish school at 7 p.m. On Tuesdays and Thursdays I go to swimming classes at the club after school. There is a big swimming pool at the club. I think swimming is better than volleyball.

I don't have a very healthy diet. For breakfast, I always drink dizzy drinks and eat donuts with some chocolate. I have lunch in the fast food place at school. I usually have some pizza and chips for lunch. I never drink water or milk at school. I prefer Coke or Pepsi. Sometimes at the weekend I eat some salad and soup, but not a lot.

My best friend is Mario. We go to swimming classes together and we swim in the same team. Mario is faster than me. He's an excellent swimmer. But I am more intelligent than him. I always pass my exams.
