Các lựa chọn không bắt đầu bằng động từ nguyên mẫu (to-infinitive)

Với dạng câu hỏi P/F, bạn cũng có thể bắt gặp những lựa chọn là câu hoặc cụm từ chứ không bắt đầu bằng to-infinitive. Điều này thật ra không ảnh hưởng đến phương pháp làm bài mà chúng tôi vừa trình bày.

Ví dụ 3:

Bạn nghe:

Prof.: Today, we'll be discussing gorillas and where they sleep. First of all, do all the members of a gorilla family sleep in the same place? Chi?

Chi: Uh... yes, gorilla families always sleep together in the same place.

Prof.: Are you sure, Chi? Why don't you try again?

Chi: You mean, gorilla families don't sleep together in the same place?

Prof.: That's right this time.
