

The Feelings Song

(Miss Molly)

Sometimes you feel

Sometimes you feel

Sometimes you feel

Sometimes you feel

You might today

You might today

You might feel many different

And they are all

You might feel about your first day at school

You might feel to jump into the pool

You might feel for your party this afternoon

You might feel when they jump out at you!

REFRAIN

We might feel when he takes your bear

You might feel when he shares.

You might feel when you trip and fall down.

You might feel happy with your all around

..... you feel

..... you feel

..... you feel

..... you feel

..... might today

..... might today

You might feel many

..... OKAY!

You might feel if there's no one with you

You might feel that your wish will come true

You might feel when you play outside.

You might feel when you win a prize
