TIPS

Enjoys various things that all boys enjoy chính là cụm từ then chốt, câu tiếp theo (... **he likes to have fun with his friend, Huckleberry Finn, and he does not like to do chores or go to school**) là ví dụ minh họa cho thấy ý chính của đoạn 1 là giới thiệu nhân vật Tom Sawyer như một cậu bé ta vẫn gặp trong đời thường.

Việc tập trung sự chú ý vào những từ được lặp lại trong đoạn 2 như **naughty** hoặc **adventures** cùng những từ chỉ tính cách của Tom như **his heart was good, his bravery** sẽ giúp bạn tìm ra ý chính của đoạn này chính xác hơn so với việc đọc cả đoạn một cách dàn trải, thiếu định hướng.
