My name is Emilia, and I am eight years old. This is my grandpa, Roberto. He **works** on a farm. In spring, Grandpa **digs** in the field and **plants** seeds. He **waters** the plants every day. When the fruit is ready, he **picks** it. He's got strawberries and apples on his farm. He's got animals on his farm, too. I go to Grandpa's farm at the weekend. I **feed** the goats and the chickens for him. I can play in the field. I ride on his tractor, too. It's so much fun!
