READING ACTIVITIES: EMILY THE MAGIC INVENTOR'S WEEKLY ROUTINE

Imagen creada con ChatGPT (OpenAI, 2026).

This is Emily. She is Peter's best friend and a wizard apprentice at the Golden School of Time Keepers and Wizards. Emily loves magical inventions, but her experiments often create funny problems.
On Monday, Emily wakes up at 7 o'clock, brushes her teeth, and gets dressed before breakfast. Her magical hairbrush sometimes styles her hair in crazy shapes! After school, she studies magical drawings and paints moving dragons.
On Tuesday, Emily goes to the school library and reads spell books. Sometimes the books whisper magical secrets! After school, she practices magical archery, but her arrows sometimes turn into butterflies.
On Wednesday, Emily helps repair time crystals in the clock tower. Sometimes the crystals glow blue, purple, and gold. In the afternoon, she dances with her friends in the great hall.
On Thursday, Emily plays the guitar and cooks dinner with her family.
On Friday, Emily cleans her room, but her books fly back to the shelf by themselves.
On Saturday, she plays football with Peter near the clock tower, takes a shower, and plays video games.
On Sunday, Emily walks her dog.
