SECTION 4: READING COMPREHENSION

Instruction: Read the passage below carefully and choose the best answer (A, B, or C).

Amira loves baking. She started baking when she was just nine years old. At first, her mother taught her how to bake simple chocolate chip cookies. Now, at thirteen, Amira can independently bake delicious cupcakes, tarts, and even whole wheat bread.

Every Saturday afternoon, Amira spends her time experimenting with new recipes in the kitchen. She always uses fresh ingredients like organic flour and fresh milk. Sometimes, she sells her signature vanilla cupcakes to her neighbors to earn extra pocket money. She saves half of her earnings in the bank and uses the rest to buy new baking tools. Amira's ultimate dream is to open her own bakery cafe after finishing her studies.

16. How old was Amira when she first learned to bake? Easy

A. Nine years old **B.** Thirteen years old **C.** Saturday evening

17. Who taught Amira her very first baking skills? Easy

A. Her teacher **B.** Her mother **C.** Her neighbor

18. What does Amira do with the money she earns from selling cupcakes? Medium

A. She spends all of it on ingredients. **B.** She gives everything to her parents. **C.** She saves half and buys baking equipment with the rest.

19. The word independently in the passage means... Hard

A. with a lot of help. **B.** by herself without help. **C.** in a very slow manner.

20. What is Amira's main goal for the future? Medium

A. To become a professional milk delivery lady. **B.** To launch her own bakery cafe shop. **C.** To stop baking and focus only on school.
