cross the street

Stop moving when you reach this sign. Wait until it is safe to move or start again.

Arrive at the little building where you can buy things for yourself or your family.

Move in the direction where your left hand is. Your body changes path so you go to the left side.

This is tall and has green leaves. You might find it in a park or outside your house.

Walk forward, following the path ahead. Do not turn your body or change where you are going.

Keep walking until you see a path on the other side. Step or walk from one side of the road to the other side.

Move in the direction where your right hand is. Your body changes path so you go to the right side.
