We're going to Paris!

You know that I always wanted to go to Paris. Well, can you believe it? My parents are taking me there for the weekend! We're going to fly there from London. It's my first time on a plane, so I can't wait! I want to take so many things, but my mum says I can only have one small suitcase, so I packed some spare clothes, my new camera, a book to read during the flight and my passport. I also want to take my school ID card – I read online that museum tickets are cheaper for students. Our flight is at 9 o'clock, but Dad says we have to be at the airport one hour earlier. I want to take lots of photos! I really want to see the Eiffel Tower! It's one of the most famous things to see in Paris. My mum wants to go to the famous designer shops. Maybe she wants to buy some new clothes for my birthday party in June? That would be great!
