Answer in 4-6 words:

1. Who taught her to sew? _____
2. What did they make for the village? _____
3. Where do people buy clothes now? _____
4. When does she sew nowadays? _____

Many rural jobs have changed because of new technology. For example, modern tractors allow farmers to work faster and cover larger areas. Although this saves time, some farmers say it reduces the personal connection they had with the land.

What is the main idea?

- a) Technology has made farming slower
- b) Technology has changed farming routines
- c) Farmers prefer old tractors

In the past, blacksmiths were essential in rural communities because they repaired tools and made horseshoes. Today, their work is less common, but some artisans continue the tradition for cultural and historical reasons.

TRUE or FALSE:

1. Blacksmiths repaired tools in the past.
2. Their work is more common today.
3. Some people continue the tradition.

Weaving used to be a common job in many villages. Women worked long hours using wooden looms. Today, weaving is mostly industrial, but some families still teach the craft to preserve their cultural identity.

Answer in your own words:

1. What tools did they use in the past? _____
2. How were the working hours? _____
3. What has changed today? _____
4. Why do some families still teach weaving? _____

You've received this message from your Scottish friend. Reply to him in about 80 words. Include:

1. congratulations and encouragement
2. one question about the job
3. one comparison with rural jobs in your area
4. one expression of partial agreement or deduction (e.g., apparently, possibly, me too, me neither)

Tell another friend about the WhatsApp conversation you had with your Scottish friend. You must:

- Retell the main points using reported speech
- Use comparatives to comment on rural jobs
- Give your personal opinion about taking over a family occupation
- Use at least one expression of deduction (apparently, possibly) and one of partial agreement (me too / me neither)

Record around 2 minutes in the following link.
