Last year, I had an unforgettable experience during MPLS at Taman Dewasa Jetis Junior High School. At first, I \_\_\_\_\_nervous because I was a new student, but the teachers and seniors welcomed us warmly. During the activities, I \_\_\_\_\_ that the school was inspired by the educational values of *Ki Hajar Dewantara*. The teachers explained that education is not only about studying lessons, but also about building good character, respect, responsibility, and independence.

One of the most memorable moments was when the teachers \_\_\_\_\_the philosophy of *Ki Hajar Dewantara* through their teaching methods. They \_\_\_\_\_good role models, guided us patiently, and encouraged us to express our ideas confidently. Through games, discussions, and group activities, I felt supported and respected.
