Julia

I'm from Oaxaca in Mexico. Many people here like eating grasshoppers for a snack, but I don't. I don't like them. My favorite food is *mole* and chicken with rice. To make the *mole* sauce, you mix chocolate, salt, pepper, and spices. My mom uses fruit and nuts, too. It tastes delicious – it's hot and sweet. It tastes amazing with meat.

Toshiya

I live in Nagano Prefecture in Japan. A lot of people in Japan eat fish, but Nagano is not near the ocean. There aren't many cows and sheep, so we don't eat much meat. Sometimes we eat grasshoppers called *inago*. They aren't expensive and we don't get them at the store – they live in the rice fields. We catch them and eat them with soy sauce and sugar. They are salty and sweet! My favorite street food is *hachinoko*. It is an insect, too. You make *hachinoko* from young bees. It's very healthy food - a lot of people here love it!
