LIVEWORKSHEETS

II. COMPLETE SENTENCES

Benefits

- They can _____ because they use English in speaking, listening, reading, and writing activities.

- They can _____ because they can communicate easily with other people.

- They can _____ because many companies need people with good English skills.

- They can _____ because they can travel to different countries and learn about new cultures.

- They can _____ because they learn new things that they have never known before.

Drawbacks

- They may _____. Because they have to pay for tuition fees, accommodation, travel expenses, and living costs.

- They may _____. For example, when they see native people eat and do things differently, they can feel strange.

- They may _____. Because they can't get emotional support from family when they have issues in their life and it makes them feel sad.

- They may _____ because people speak a different language in a different country. So it's not easy for them to have new friends.
