6. Read the texts and match the words in bold with the definitions (1–6).

A. STARTING A BUSINESS

To open my café, I've taken out **a loan** from the bank to buy furniture and equipment. The bank charges **interest** on the money I've borrowed. It's about 7% so it's not too bad. Every month, I receive **a statement** showing how much I owe and how much I have already paid.

B. BUYING A HOUSE

We wanted our own home, so we decided to apply for **a mortgage**. We also planned to use our **savings** to pay for part of the house, and for furniture and decorating. Before the bank agreed, we had to pay off **debts** from our old credit cards, too.

1. money that you borrow from a bank for things that are not a house _____
2. extra money you pay when you borrow money, or earn when you save it _____
3. money you owe to someone _____
4. money that you borrow from a bank to buy a house _____
5. a document from the bank showing the activity in your bank account _____
6. money you keep for the future _____

7. Look at the texts in ex. 6 and complete the collocations with a verb or a phrasal verb. Then, answer the questions in the second column.

Collocation	Question
_____ a loan	If you do this, do you get money from a bank that you have to pay back later?
_____ interest	When the bank does it, do they ask you to pay a fixed sum of money?
_____ debts	When you do this, do you give back all the money you owe to someone?
_____ savings	After you do this, do you have more money?
_____ a statement	When this happens, do you get a document showing your account activity or an advert from the bank?
_____ a mortgage	When you do this, do you have to complete some forms, share some documents and wait for a bank's decision?

8. Respond to the following sentences your friends might say to you. Use at least one collocation in ex. 7 in each response.

EXAMPLE: I've won some money. What should I do with it?

*First, you should **pay off all your debts**. Start with your credit cards because they **charge the most interest**. Then, you can do anything you want!*

A. I want to buy a car, but I don't have enough money.

B. I want to buy my first home. How can my bank help me?

C. I don't know how much money I've spent this month.

D. I want to buy a new car but I don't want to borrow any money.

E. I might get a new credit card but I already have two.

F. I want to take a year off work and travel around the world.

9. Read the pronunciation tip. Then, listen to the collocations and mark where you hear the schwa /ə/ sound. Practise saying the phrases.

A. exchange currency

B. receive a bank statement

C. check your balance

D. apply for a mortgage

E. make a payment

F. enter your PIN

G. take out a loan

PRONUNCIATION TIP

The schwa /ə/ is the most common sound in English. It is a short, unstressed vowel sound that is in words like *b**a**nan**a**, **a**bout* and *moth**er***. It can be used with any vowel letter but always sounds the same: a quick, neutral "uh". Here are some examples using different vowel letters: *sof**a**, sev**e**n, fam**i**ly, lem**o**n, s**u**pport.*
