The man saw these animals everywhere he He was not afraid anymore and he started to them closely. He noticed that although they were big strong, they were gentle. They could also long distances in the desert without being tired.

The man had an idea: "What if I make this carry all my luggage? I can then travel in the desert more easily." He went up to one of the animals and tied a around its neck. Then he climbed on it, and his luggage on its back.
