

Name: _____

Date: _____

Natural Habitats: Homework

1. Animal Homes

Look at the animals. Where do they live? Choose a word from the box and write it under the animal.

Word bank: Ocean Desert Forest Polar Jungle Pond

2. Yes or No?

Read the sentences. Write **Yes** if it is true, or **No** if it is false.

a) Brown bear

b) Penguin

c) Polar bear

10. In the Desert:

a) Lizard

b) Camel

c) Squirrel

4. Draw Your Own!

11. Pick your favorite habitat. Draw an animal that lives there. Add plants and weather to show what the habitat looks like!

Read and Write

Read the short story below. Then, write a sentence to answer each question.

The Ocean Home

The ocean is a big, salty home for many animals. Fish swim in the deep blue water. Crabs walk on the soft sand. Dolphins jump and play. All of these animals need clean water to stay healthy!

12. Are ocean waters fresh or salty?

13. Where do the crabs walk?

14. Name one animal from the story. What does it do?
