Career choices

What do you be when you?

There are things that you can be.

You might want to work in of law.

You a police officer.

You could be a judge or

Maybe you'd like to work in industry.

You could be or a waitress.

You might want a hotel dining room.

Perhaps you would want to do in a hotel.

You could be a chef and make fancy meals

Maybe show business is what you'd like to in.

You could actshows or movies.

You could sing or play in a band.

If you like to, you could go into medicine.

You could be a doctor or

You a surgeon and operate on people.

There arein the field of medicine too.

You an x-ray technician or a lab technician.

It takes education to be a doctor.

..... would rather be a teacher.

You could teach in a or a high school.

If you don't want to children,

You could professor at a university.

There are hundreds of to choose from too.

You might want to or work in a store.

You could be or a veterinarian.

You could be a janitor or

There are jobs that I just can't name them all.

Maybe you'd like to be a minister or at a church.

You could be a babysitter or a

You might be interested an astronaut or a baker.

You could work in a bank or at

You could work on a construction crew and and houses.

Maybe you'd rather decorate,

so you an interior decorator.

You could or be a driving instructor.

The list is endless.

There are that you may never have heard about.

The choice is yours.

You just chooser you want to be and do your best to become that.

I could go

you in a library.

You could be a factory worker or a fisherman.

You could or build bridges.

You could wash windows or be a bricklayer.

The possibilities
