Text

My Holiday at the Beach

Last holiday, my family and I went to Parangtritis Beach in Yogyakarta. We left home at six o'clock in the morning by car. The trip was fun because we sang songs together during the journey.

When we arrived at the beach, the weather was sunny and bright. We walked along the beach and played with the sand. My brother flew a kite while I collected some shells. Then, we ate lunch together near the beach.

Before going home, we watched the sunset. The sky looked beautiful with orange and pink colors. We felt very happy and enjoyed our holiday very much.
