

# LONG WAY DOWN

We \_\_\_\_\_ a fire  
\_\_\_\_\_ down in the flames  
We \_\_\_\_\_ (sail) an ocean  
And \_\_\_\_\_ (drown) in the wave  
\_\_\_\_\_ a cathedral  
But we never \_\_\_\_\_ (pray)  
We \_\_\_\_\_ it all, yeah  
And we \_\_\_\_\_ away  
Point of no returning  
Now it's just too late to turn around  
I try to forgive you  
But I struggle 'cause I don't know how  
We \_\_\_\_\_ it up so high  
And now I'm falling  
It's a long way down  
It's a long way down  
From here  
We had a mountain  
But \_\_\_\_\_ it for granted  
We \_\_\_\_\_ a spaceship  
But we couldn't land it  
We \_\_\_\_\_ an island  
But we \_\_\_\_\_ (get) stranded  
We \_\_\_\_\_ it all, yeah  
Who could've \_\_\_\_\_ it?  
Point of no returning  
Now it's just too late to turn around  
I try to forgive you  
But I'm struggling 'cause I don't know how  
We built it up so high  
And now I'm falling  
It's a long way down  
From here  
Such a long way down  
From here  
It's a long way down (=x2)
