

# TAKE A FANTASY VACATION!

When they're on vacation, most people go to the usual places and do the usual things. You know—sunbathing on the beach or taking selfies at the usual sights. At **FantasyTours**, we know you are different! Here are three of our unusual tours.

## Swim with dolphins

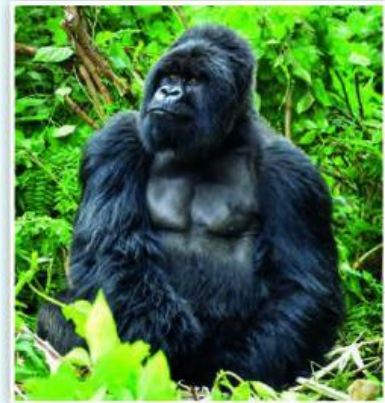

Visit the Azores and see seven different types of dolphins, as well as orcas and whales. Our experts tell you all about the dolphins and show you how to swim safely in the ocean. Then they take you to where the dolphins are.

## Chiang Mai by tuk tuk

A tuk tuk is small and fast. It's great for exploring the city of Chiang Mai. Chiang Mai was the capital of the Lanna Kingdom, and now it is Thailand's second city. We give you a driver and we help you plan your route. See the many temples and join in with the colorful festivals!

## Gorilla safari in Rwanda

A few years ago, the number of gorillas was very low, but today we protect them. Enter the jungle to find our gorilla groups. We are very careful to take care of the gorillas. Each group only spends one hour per day with tourists.
