LISTENING PRACTICE 6

You will hear two friends, Luke and Claire, discussing plans for a school show. Listen and fill in the blank with NO MORE THAN THREE words

Claire: How can we sell all these tickets for the **(1)** _____, Luke?

Luke: Why not put **(2)** _____ in different places around town? I put one at the museum last week. Can you help, Claire?

Claire: Of course. I'm going to the **(3)** _____ before I go shopping, so I'll ask if I can put one there.

Luke: Great. Paul's still a member of the **(4)** _____.

Claire: So he can take a poster there. I'm meeting him in the café later, I'll ask him then. What about James?

Luke: His **(5)** _____ building's next to a big shop. He can ask **(6)** _____ to put one there.

Claire: Good idea. What about Joe?

Luke: He needs to **(7)** _____ for his studies, so next time he goes to get some, he can ask there. Maybe you can ask him when you **(8)** _____ together?

Claire: OK. Karen will help, I'm sure.

Luke: She lives in one of those **(9)** _____ near the sports centre. Let's ask her to put one where she lives so all her **(10)** _____ see it.

Claire: Good idea.
