The fish and the frog

Sata the fish lived in a pond. He was the cleverest animal there. His best friend was a frog called Eka. Eka wasn't very intelligent. One day, late in the evening, they were talking when some men arrived. When the men saw the pond, they said, 'There are a lot of fish here! Let's come back tomorrow with a big net!'

Eka was worried and said, 'These men are very dangerous!' Sata laughed and answered, 'I can protect you. I know many secret paths through the water.' But Eka said, 'I'm not very bright, like you. I'm leaving now, with my wife.'

Early the next day, the men came and caught all the fish, including Sata. Eka saw the men as they were walking along the road, their nets full of fish. He whispered to his wife, 'Sata was very clever, but look at him now! But we are safe. Sometimes it's bad to be too intelligent!'
