PART 2

In this part of the test, you will complete two different tasks. You will have **90 seconds** to respond each task.

#	TASK	TIME
4	***Your friend is thinking about leaving college so he can play music full-time. He wants to take time to travel with his rock band while he is still young. What are the advantages and disadvantages of this idea?***	
5	***The number of students at a local school has grown. Some teachers have suggested moving the students to a new school building to solve this problem. Many parents think this is a bad idea. I am the school principal. Tell me what you think about this idea and try to convince me to agree with you.***
