

Part 2 — Gerund or Infinitive

Use the verb plus the gerund or infinitive to correctly complete each sentence.

Type the correct form of the verb in parentheses.

Example: You have to practice doing (**do**) something before you get good at it.

6. We agreed _____ (**divide**) the work among all the group members.
7. If you're on a diet, you should avoid _____ (**drink**) soda with sugar in it.
8. When I'm sad, I don't feel like _____ (**go**) anywhere.
9. I enjoy _____ (**watch**) TV after dinner.
10. If you quit _____ (**smoke**) , you'll reduce your risk of cancer.
11. We need _____ (**paint**) this room a different color.
12. She seems _____ (**understand**) the lesson.
13. When Becky wants _____ (**succeed**) , she usually does.
14. Let's discuss _____ (**share**) the work fairly.

Part 3 — Preposition + Gerund

Complete each sentence using a preposition and a gerund. You will use one preposition twice.

Type the preposition + the -ing form of the verb in parentheses.

of	to	with	about	for	in
----	----	------	-------	-----	----

Example: Everyone is tired of trying (**try**) to find parking places.

15. My brother talks _____ (**study**) psychology next year.
16. Don't complain _____ (**arrive**) late if you're not ready to go on time.
17. After two years, she's become bored _____ (**study**) the same thing.
18. Do you believe _____ (**talk**) to plants to make them grow better?
19. I apologize _____ (**take**) your chair.
20. The teacher didn't object _____ (**have**) a party on the last day.
