

A Weekend in the Countryside

Last weekend, Toby and his sister Clara visited their grandparents in the countryside. On Saturday morning, they packed their bags and walked to the forest near the house. They wanted to build a small treehouse. Toby collected some long branches, and Clara pushed them together. After a few hours, it rained heavily. They covered their heads and hurried back to the house.

In the afternoon, the rain stopped. Their grandparents baked a delicious apple pie. Toby and Clara washed the dishes and helped clean the kitchen. In the evening, they watched an old film on television and played board games. They laughed a lot. They enjoyed their weekend very much.
