Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions.

Traditional Customs Around the World

Traditional customs are an essential part of cultural heritage, passed down from generation to generation. These customs reflect the values, beliefs, and practices of a community, shaping their way of life. Whether it is a religious ceremony, a festive celebration, or a daily routine, traditional customs help maintain cultural identity and strengthen social bonds. Many customs have deep historical roots and are carefully preserved despite modernization.

One well-known tradition is Japan's tea ceremony, which is more than just drinking tea. It is a carefully practiced ritual that emphasizes harmony, respect, purity, and tranquility. Every movement, from preparing the tea to serving it, follows a specific etiquette. Guests are expected to appreciate the beauty of the utensils and the calm atmosphere. This custom has been an important part of Japanese culture for centuries.

Another **fascinating** tradition is the Day of the Dead in Mexico. Unlike many cultures that view death with sadness, Mexicans celebrate it with joy and remembrance. Families create colorful altars with candles, flowers, and food offerings to honor their deceased loved ones. Parades, music, and traditional skull decorations fill the streets, making this a unique and vibrant custom.

Not all customs are about celebrations; some involve daily practices. In India, it is common for people to greet others by joining their hands and saying "Namaste." This gesture is a sign of respect and goodwill. Similarly, in many Middle Eastern countries, removing shoes before entering a home is a common practice, symbolizing cleanliness and politeness. Such customs may seem simple, but they hold deep cultural significance and promote respect among individuals.

30. What is the main idea of the passage?

- A. The importance of tea ceremonies in Japan
- B. Traditional customs and their cultural significance
- C. How modernization is affecting traditions
- D. The differences between Eastern and Western customs

31. Which of the following is NOT mentioned as part of the Day of the Dead?

32. The word "**fascinating**" in paragraph 3 is closest in meaning to _____.

- A. Boring
- B. Interesting
- C. Confusing
- D. Ordinary

33. Why is the Japanese tea ceremony significant?

- A. It focuses on harmony, respect, and tranquility.
- B. It allows guests to drink expensive tea.
- C. It is a casual gathering for friends.
- D. It is a new custom introduced in modern Japan.

34. What do families in Mexico do during the Day of the Dead?

- A. Stay at home in mourning
- B. Visit temples for prayer
- C. Decorate altars and celebrate joyfully
- D. Travel abroad for festivals

35. What is the purpose of removing shoes before entering a home in some Middle Eastern countries?

- A. To keep the floor clean and show respect
- B. To feel more comfortable inside the house
- C. To follow religious rules
- D. To prevent slipping on smooth floors
