## What Should We Do?

Dear Annie,

I read your newspaper advice column every week. You always give really good (1)\_\_\_\_\_ to people who need your help. Now, I have a problem, so I'm e-mailing you for advice.

My family and I live in a big, beautiful house in a great

(2)\_\_\_\_\_. It's located outside the city, in a

(3)\_\_\_\_\_. There is a large, spacious

(4)\_\_\_\_\_ with a nice (5)\_\_\_\_\_ of our

front yard. In our front yard, there is a garden and a tall pine tree. There are also lots of trees in our (6)\_\_\_\_\_.

We really like our kitchen with its modern (7)\_\_\_\_\_s.

There are also four bedrooms: one master bedroom for my

husband and me, and three smaller (8)\_\_\_\_\_s for

our three kids. There is also a (9)\_\_\_\_\_ where we

can put things, like our bicycles. Unfortunately, I started a new

job last month, and now it takes me over 90 minutes to

(10)\_\_\_\_\_ to work. As well, my oldest daughter just

started college, and she also spends a lot of time on buses

every day. Annie, we love our (11)\_\_\_\_\_, but should

we move into a much smaller 3-bedroom apartment closer to

(12)\_\_\_\_\_ – to be closer to work and school?
