Read the questions below and match them to the answers that follow. (2 points each)

Protecting Yourself from Online Manipulation

Questions:

1. What should I do before sharing a shocking health post?
2. How can I check if a picture was taken from another event?
3. What should I do if a website asks for personal details too quickly?
4. How can I know whether a quote from an expert is real?
5. What should I do when a message makes me angry immediately?
6. How can I avoid becoming part of a rumor chain?
7. What should I do if two reliable sources disagree?
8. How can I help an older relative who believes a false message?

Answers:

- a. Wait, breathe, and read the whole text before reacting or forwarding it.
- b. Look for the original source, the date, and the full context of the sentence.
- c. Do a reverse-image search and compare the picture with reports from trustworthy sites.
- d. Check at least two reliable sources and do not share the post until you understand the facts.
- e. Explain calmly, show a simple source, and avoid making the person feel foolish.
- f. Stop forwarding, ask where the information came from, and look for evidence.
- g. Close the page, check the address carefully, and never send private information under pressure.
- h. Compare what they agree on, check the dates, and wait for stronger evidence if necessary.
