Clothes Styles - Comparative

📖 READING ACTIVITY

Read the text below and complete it using the words from the box.

Emma and Lily are best friends, but their clothes styles are very different. Emma prefers casual and comfy clothes because she thinks they are _____ **(comfortable)** and _____ **(practical)** than formal clothes. She usually wears sneakers, jeans, and oversized hoodies.
Lily, however, prefers elegant outfits. She believes dresses and boots are _____ **(stylish)** than casual clothes.

Last Saturday, they went shopping together at a new mall. Emma wanted to buy a winter jacket because her old one was _____ **(thin).** Lily tried on a long black coat that was _____ **(expensive)** than the other coats, but it looked _____ **(elegant)** and _____ **(warm)**.

While they were shopping, Emma found a pair of sneakers that were _____ **(light)** and _____ **(nice)** than her old shoes. Lily chose leather boots because they were _____ **(durable)** and _____ **(beautiful)** than the pairs she already has.

At the end of the day, Emma spent _____ **(less /more)** money than Lily, but both girls were happy with their choices.
