Exercise 2: Multiple Choice

3. **B) will be washing** (Distractor: 'like' is a stative verb, so it can't be A; C isn't continuous).
4. **A) will be watching** (Indicates an action in progress at a specific future point).
5. **B) will know** (Cognitive distractor: 'know' is a stative verb, can't take -ing, so use Future Simple).
6. **B) will you be doing** (Correct interrogative structure).
7. **A) will be sleeping** (Action in progress that will be interrupted or will coincide with the arrival).
8. **B) will own** (Cognitive distractor: 'own' expresses possession/stative meaning, not used in continuous).

10. **A) will be riding** (B and C lack the full structure of this grammatical tense).

5. **will be living**
6. **won't be playing / will not be playing**
