

Business \_\_\_\_\_ at the moment. In fact, it's the worst time for businesses for decades. Many businesses \_\_\_\_\_ bust because of the global financial crisis. Even sound businesses like the car industry and electronics are going through a really \_\_\_\_\_. Many small businesses have gone out of business. It's a real shame because so many lives \_\_\_\_\_ ruined. With a lot of businesses \_\_\_\_\_ fight for survival. I really respect people for trying to make a go of their business. I don't have much business sense. I wouldn't know where to start in opening my own business. I suppose the best thing would be to look at business startups \_\_\_\_\_. An online business might be good. There seems to be less risk.
