

UNIT 4 LESSON E Exercise 4

Look at the doctor's report. Read the questions. Choose the correct answer from those provided. Write the answers.

**Cottage
Hospital**

Report

I treated Carlos Garcia today, 5/09/2013, for burned hands. He got these injuries at work at Fast Frank's Restaurant this afternoon. He says it was an accident.

Recommendations

1. Carlos should take one ounce of this medicine every four hours for ten days.
2. Carlos shouldn't work for one week. He can return to work on May 16, 2013.

Signature William Crawford M.D.

Date May 9, 2013
