1. For all the times that you rain on my parade
And all the clubs you get in using my name
You think you _____ my heart, oh girl for goodness sake
You think I'm crying on my own, well I ain't

didn't want

And I _____ write a song
Cause I _____ anyone thinking I still care
I don't but, you still hit my phone up

broke

And baby I be movin' on
And I think you should be something
I don't wanna hold back, maybe you should know that

didn't wanna

My mama don't like you and she likes everyone
And I never like to admit that I _____ wrong

fell

And I've been so caught up in my job, _____ what's going on
But now I know, I'm better sleeping on my own

Had

Cause if you like the way you look that much
Oh, baby, you should go and love yourself

told

And if you think that I'm still holding on to something
You should go and love yourself

didn't see

2. And when you _____ me that you hated my friends
The only problem was with you and not them
And every time you told me my opinion was wrong
And _____ to make me forget where I _____ from

came

was

3. For all the times that you _____ me feel small
I _____ in love, now I feel nothin' at all
_____ never felt so low when I was vulnerable
Was I a fool to let you break down my walls?
