On Saturday we went (go) to the zoo. Dad drove (drive) because he didn't want to catch the bus. We saw (see) lots of animals. The dolphins were my favorite. They swam (swim) in a pool and caught (catch) fish. The parrots were beautiful and they flew (fly) around their big cage. The monkeys ate (eat) bananas and the lions slept (sleep) on the grass. I saw (see) a lizard. He caught (catch) a fly! We drew (draw) pictures of all the animals.
