

Now and then I think of when we **were** together
Like when you **said** you **felt** so happy you could die
I told myself that you **were** right for me
But **felt** so lonely in your company
But that **was** love and it's an ache I still remember

You can get **addicted** to a certain kind of sadness
Like resignation to the end, always the end
So when we **found** that we could not make sense
Well, you **said** that we would still be friends
But I'll admit that I **was** glad it **was** over

But you **didn't** have to cut me off
Make out like it never **happened** and that we **were** nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough

No, you **didn't** have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I **used to** know
Now you're just somebody that I **used to** know
Now you're just somebody that I **used to** know

Now and then I think of all the times you **screwed me over**
But had me believing it was always something that I'd done
But I don't wanna live that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you hung up on somebody that you **used to** know

But you didn't have to cut me off
Make out like it never **happened** and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough

No, you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I used to know

Somebody (I used to know)
Somebody (now you're just somebody that I used to know)
Somebody (I used to know)
Somebody (now you're just somebody that I used to know)

(I used to know)
(That I used to know)
(I used to know)
Somebody
